INITIAL

NOTES:

- **Price is based on Elias Brothers Groups inspection & Socotec Consulting, Inc.**
- Prices are based on *all* work in the above proposal being done by **E.B.G.C.** Prices are not meant for individual selections.
- **Upon signing this proposal, the previous agreement between the parties is superseded.**

- **Elias Brothers will staff the project to diligently complete the work and endeavor to be substantially complete by December 15, 2024, subject to limited changes in the scope. Work to commence upon receipt of the required permit. Engineer and county inspections availability and punctuality that effects the duration of the project is out of EBGC's hand and ability to control. Therefore, any delays due to these required inspections EBGC cannot be held responsible for.**
- All required engineering for drawings periodic inspections and engineer documentation is not included in this quote and is to be handled directly between the HOA and SOCOTEC engineering,
- Permit fees that **are required**, will be billed additionally to this proposal at cost plus 20% and will be invoiced separately once permit is issued.
- **E.B.G.C.** will provide the owner with a change order for any unforeseen items (according to the unit pricing provided above) **and** any items that are not included in the above scope of work that may be necessary to perform the work or requested to add.
- The Contract Price has been calculated based on the current prices for the component building materials. However, the market for these building materials is considered to be volatile, and sudden price increases could occur. E.B.G.C. agrees to use their best efforts to obtain the lowest possible prices from available building material suppliers but should there be an increase in the prices of the specified materials that are purchased after execution of the Contract for use in this Project, E.B.G.C. reserves the right to invoke force majeure. Any claim by E.B.G.C. for payment of a cost increase, as provided above, shall require written notice delivered by E.B.G.C. to the prime general contractor/Owner/Association Representative stating the increased cost, the building material or materials in question, and the source of supply, supported by invoices or bills of sale.

PAYMENT TERMS

- 25% deposit will be invoiced prior to start upon signature. The remaining balance will be progress invoicing and will be submitted as work stages are completed. Please note Invoices will be due within 15 days of receipt of the invoice. All past due invoices will incur a service charge calculated at 2.5% or the highest rate permitted by law and incorporated to all past due invoices.

Once you have had the opportunity to review our proposal, I will be glad to discuss this proposal and answer any questions that may arise. Please note this proposal will become the legal binding contract once executed. Thank you again for your consideration and for allowing our team the opportunity to present our proposal.

Respectfully,

Joe DiRienzi Sr.
