Contract Details

Description: 8 buildings; 131 total units

* Proposal rate valid when units are scheduled through the condominium association as single billing.

OUTSIDE CLEANING PROCESS

- * Access pipe at outside outlet
- * Clean pipe from roof/wall to dryer from outside unit using reverse airflow system
- * Lint collected at roof/wall outlet into specialized catch bag
- * Clean outlet louvers
- * Note: This reverse-air process cleans the pipe from the outside outlet to where the dryer attaches to the wall. It does not clean the dryer or exhaust hose extending from the dryer to the wall.

"Lint Out will not be responsible for any damage that occurs to stucco as a result of repeated removal of dryer vent grill covers."

* Please note, this price is only valid if scheduled out-of-season (June-October).

Qty	Description	Unit Amount	Tax	Total
