**Description:** Deduct Wireless Devices and Close Out Job

We are pleased to offer the following specifications and pricing to make the following changes:

The Fire Marshal determined that upgrading the condominiums to current fire code is not required and Calais Condominium desires to change contractors to finish out the remaining work and close the permits.  
NCI will have the engineered drawings revised, stamped and forwarded to National Security and Fire Alarm.  
NCI will provide the 105 wired low frequency sounders already purchased to National Security and Fire Alarm.  
NCI will sign change of contractor forms and provide to National Security and Fire Alarm.  
National Security and Fire Alarm will submit the revised drawings to update the permit.  
National Security and Fire Alarm will install the wired low frequency sounders and conduct the permit closeout inspections with the AHJ.  
National Security and Fire Alarm will assume responsibility for any warranty work required beyond change of contractor date of record.

New price per building for Association accounting purposes:

Building C - \$30,035  
Building D - \$34,094  
Building E - \$30,035  
Building F - \$34,094  
Building H - \$34,094

The total amount to provide this work is ..... \$-111,951.00

If you have any questions, please contact me at 561-812-2862.

**Our price is firm for 30 days**
